CHARLOTTE BALLET ACADEMY®

SUMMER 2021 IN-STUDIO

The **Workshop** is a wonderful opportunity to concentrate on strengthening your dancer's technique in a well-rounded program. Students train five days per week with the Academy's outstanding faculty members in Ballet, Pointe or Pointe Strength Training, Modern and Jazz classes.

The **Jr. Intensive** offers classes in Ballet, Pointe, Modern, Jazz, Boys Technique and Conditioning, Character, and Contemporary Repertoire for one week with the Academy's outstanding faculty members. The Jr. Intensive is designed to help students build strength and technique in preparation for participation in more advanced Summer Intensive programs. Students can take both the Jr. Intensive and the Workshop or either program by itself.

Placement

Students will be placed into one of two levels. Level A is for students with greater proficiency. Level B is for students to work on ballet fundamentals. Both Level A and Level B share a curriculum and instructors. The level placement is good for both the Jr. Intensive and the Workshop.
