HOW TO DOWNLOAD & USE HEALTHCHECK BY STRATUM™

SETTING UP YOUR PROFILE

1. Download **HealthCheck by Stratum™** on any Apple or Android device. Alternatively, you may access the web interface at <https://healthcheck.stratumhealth.io>
2. Register with your name & email address. HealthCheck will send you a confirmation email to finalize your sign-up. Click the email link to activate.
3. Use Facility Code **eQcdYSAm** in order to submit your daily screen to Charlotte Ballet Academy. You can enter this information under Profile – Facilities.
4. Add a sub-profile for each child in your care. Enter your students' names under Profile – Children.
5. Once registered, click **Check Health** to answer the daily screen! For students of Charlotte Ballet Academy, please use the appropriate sub-profile to answer the questionnaire.

KNOW BEFORE YOU GO

- Submissions must be made within 3 hours of each class at the Center for Dance.
- Pending your results, you may be admitted or asked to participate virtually.
 - **GREEN** – You may enter the studio. Please show your completed health screen to the receptionist onsite and they will direct you to your numbered spot.
 - **YELLOW** – You may not enter the studio without permission from an Academy administrator. Please email frontdesk@charlotteballet.org for next steps.
 - **RED** – You may not have access to the facility today. Please continue to take care of yourself and email frontdesk@charlotteballet.org for remote access to class.
